On the back of this paper, list all qualities/ skills you have that will make you a good candidate for the team.

The Highlander Girls is a student group. Therefore, there are no scholarships related to the team. You are volunteering your services and you will be expected to participate 100% at all times, should you make the squad. The Highlander Girls are required to perform at all home women and men's basketball games. This may also include staying over the Christmas break for games. If any other activities you are involved in will hinder your obligation to the team, then you may want to reconsider trying out for this squad. The Highlander Girls come second only to your academics. Being on the Highlander Girls is a huge time commitment and is tremendously rewarding.

I, _____, acknowledge, understand and agree to abide by this agreement and any additional rules and regulations of the Highlander Girls at UCR.
